Dear Mr. Pruett,

Subj: Candidate's Position on Second Amendment Rights

This position letter is in response to our telephone conversation on March 25, 2016.

I am an ardent supporter of the U.S. Constitution's Second Amendment right to keep and bear arms. I believe this right is an inalienable, individual right; and, though specified as a protected right within the Constitution, I believe it only codified a natural right which already existed.

I believe it is the right of all men and women to protect themselves or their families from harm.

I believe that peaceful methods should be exhausted before taking up arms to defend our liberty from others or the tyrannical will of government.

I believe this right is not limited to self-protection, but also covers its use for sport, hunting, collecting or other uses.

I do not support laws that would tax gun or ammunition purchases or ownership differently than other general purchase items.

I support Senate Bill 1389 (2016), otherwise known as Constitutional Carry Bill or Permit-Less Concealed Carry Bill.

Sincerely,

Reggy A. Sternes
Republican Primary Candidate
